**Here's what others had to say about their coaching experience with me:**

"I approached coaching with an open heart and I was very surprised to find some deep places within that were just waiting to be softly brought to life. Catherine's skills and delight helped me feel more confident about myself and helped me open to a whole new self. She helped me stand in this place of finding my own truth and this ignited a deep passion for life once again. I truly recommend Catherine Hilker to anyone who is ready to live an extraordinary life."

Solena Morgan  
Boston, MA

"Catherine helped me create a daily routine that helps me be present and function at my true potential and trust. She gave me tools to improve and set realistic goals. Catherine opened for me a door to my most wonderful dreams and adventures. She is a wonderful and compassionate coach - her talent unleashed my true self."

Cristina van Bladel  
Dickie Ferry, NY

"Working with Catherine as my life coach has been a transforming experience for me. Just when you think you have yourself all figured out, she has the remarkable ability to help you see the truth in a pure and powerful new way. Her comments and questions are designed for the sole purpose of self discovery. All I can say is, don't hesitate. The work is worth it and your spirit and desires will thank you for it!"
